PRESS NOTES

What lady is to get the piano?
 Now is the time to buy Campbell property.
 Mrs. L. F. Shaw goes Friday to Palo Alto to visit her brother's family.
 The park hedge has been trimmed nicely, thanks to the generosity of J. C. Ainsley and the labor of O. H. Dosh.
 O. H. Dosh and family left today for Hillsdale, Ia., to be gone a few months. Mrs. Dosh's mother is sick and they go east on that account.
 J. C. Lloyd has purchased the M. E. parsonage, adjoining the church, and will move his family there. Another property owner—and one less tenant—which we are glad to see.

Mrs. L. E. Gumsolus and H. J. Robinson each had their clothes lines robbed one night this week, losing quite a quantity of clothing. It is seldom that thieves molest Campbell people, but a sharp lookout should be kept to discover who was the perpetrator of this contemptible trick.
 Charity Lodge, A. F. & A. M., held an unusually large and interesting meeting Monday night, there being a number from San Jose and surrounding country present. What they did is a mystery, but there must have been something "doing." A "spread" at the close made those present feel better after an evening's entertainment.
 The prohibitionists held forth here last

Monday evening. The speakers were J. W. Kuykendall, nominee for the assembly; Robert Summers, nominee for state senator; Dr. George Pratt, nominee for congress. A fair-sized audience greeted them, but not as large as the character of the meeting deserved, for any unprejudiced person present will readily admit that as for speaking they "put it over" the republican speakers.

H. J. Robinson met with an accident Saturday. He was driving along on the water wagon, and as he passed by a tree with a branch hanging over, he attempted to push the branch aside with his foot and he was pulled from his seat to the ground, the wheel passing over his ankle. Fortunately no bones were broken and he is able to walk around again. He says if he had not been a democrat his foot would have been crushed.

OF INTEREST.

From now until election day the country should devote its attention very largely to politics, for it must be remembered that the weal or woe of the nation for the next four years hangs on the result. Don't say you have "no time for politics." Better take time and study well how to vote before you cast your vote.—*Santa Clara Journal*.

The country will go on just the same, no matter who is elected.

The Interurban short line is practically finished up this side of Campbell. It was feared that right of way troubles might arise at Campbell, but the company hustled the line over the doubtful section on Sunday, then went back and finished up

afterwards. On Monday the first passenger car was run to the "Orchard City," carrying the officers on a tour of inspection. The short line promises to be very fast and safe as well, for the car made the run on this new track from Campbell in about seventeen minutes. When the track is fully balasted it will be faster. The distance to Los Gatos from the south end of the completed track is getting very short.—*Los Gatos News*.

John E. Bennett, secretary of the Mt. Hamilton Exploitation company, in speaking of the manner of building the electric road to Mt. Hamilton, says: "The first move will be to make a reconnaissance of the whole topographical region with a view of selecting possible routes for the electric road. Then a survey will be run over each route for the purpose of determining which route is the best. The latter work will be done with an eye to estimate on cost of construction which will be simultaneously figured out. Once the engineer is in the field the work will be pushed with vigor and it is hoped that within two months after commencement we shall have a preliminary survey perfected upon the actual route."

It is reported that the Southern Pacific is collecting material at Oakland and Alameda to convert the local trains in those two cities and the narrow gauge road to San Jose into electric motor trains. The plans have been submitted by the electrical engineer to General Manager Markham, as well as estimates of cost of the electric power from the Standard Electric company. The Key route and Haywards electric line has been so sharp a competitor that the necessity of some such change has been realized. Probably when this is

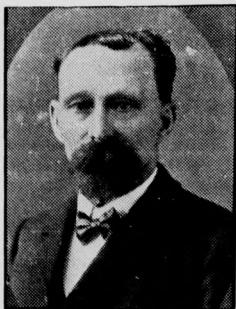

made some other work will be done on the Santa Cruz line, either to make it a broad gauge line and connect it with San Francisco by the peninsular or the whole line may be made an electric line.—*Los Gatos News*.

THERE are 2,602 voting precincts in California. At the election of 1902, of a total registration of 394,000, but 316,000 votes were polled, a loss of 78,000 votes, or about 20 per cent of the total registration. Evidently there are some people who do not consider their vote worth much.

In the last state election the democrats cast 143,000 votes for governor, yet they have no member on the Supreme bench—all seven being republicans. Would it not be only fair—everything else being equal—to elect Judge Dooling, of San Benito county to that position next month? Why not? He is eminently qualified and that office should be a non-partisan one anyway.

As Campbell is without adequate fire protection it makes it all the more necessary that vigilance should at all times be exercised. It may not be amiss to state that from 40,000 fires as a basis of reckoning the causes of fire were as follows: Carelessness, 17.11 per cent; heating, 21.02 per cent; incendiary, 5.57 per cent; lighting, 5.69 per cent; outside causes, exposures etc., 14.00 per cent.

It is said that Canada is offering a splendid opening for American capital. The United States Steel Corporation has a staff of men looking over that country with the object in view of locating large steel plants there. In that way they overcome the duty of \$7.84 per ton on steel now shipped to Canada. The great agricultural development in the Canadian northwest has been attracting large numbers of people as well, this country furnishing 80,000 persons during the past two years. Certainly our neighbor to the north is forging ahead and is at present an object lesson in development that is worthy of example.

CONGRESSMAN WM. J. WYNN did good service in the last session of Congress. He is a good mixer and made himself friendly with the republican majority. He did what Congressman Loud said could not be done, apply the available money to the finishing of Alviso slough channel. He served his constituents faithfully and honestly and should and will no doubt receive a very complimentary vote, such as he got two years ago. The argument put forth that we should not change our congressmen so often will apply here. Besides it seems quite probable that the democrats will control the next congress, in which event it would stand this district in hand to have Congressman Wynn there.

THE manager of the Ice & Power company, J. D. Farwell, informs the Mail that his company is now preparing to meet the necessity for greater power at their plant here by replacing all their generators with larger ones, so as to be in a position to meet every demand for light and power that may be made upon them. Residences all along the line between this city and Saratoga will be supplied with light and there is now evidence that many new and beautiful homes will be erected through that territory within the next year or two.—*Los Gatos Mail.*

Let the Ice & Power company extend wires to Campbell and its business will be greatly increased—not only here but all along the line. The most unsatisfactory manner in which the United Gas and Electric Co., of San Jose, are supplying the residents of Campbell with electricity is notorious. Poor lights, caused by too little "juice" is the reason, yet the minimum of \$1.50 per month is charged whether your register shows that much or not.

THE wages of all classes of workmen in the Carnegie Steel Works, now owned by the Steel Trust, have been reduced, but there has been no reduction in the price of steel. The price of steel rails is still \$28 per ton to the American consumer, though wages and the cost of pig iron are both lower than one year ago. And while the trust is charging American railroads \$28 for rails, it is shipping the same rails to Europe and selling them at \$21 delivered or \$17 per ton at the mill. This is the sort of business that enrages the people and creates such a bitter antagonism to monopolistic combinations.—*Oakland Tribune (Rep.)*

Well, well! And has it just dawned upon you that this is the game that the "tariff-protected" trusts have been doing all these years? And yet we are "protecting" them for the benefit of the working people employed in such places. Away with such tom-foolery. Take your medicine, Mr. Tribune, and don't get "enraged" because the trusts are not through with you yet.

HOW CAN WE DO IT?

READ! ON MARCH 4, 1905, the day the President will be inaugurated, we propose to give absolutely FREE OF COST to the lady who secures for us the largest amount of money for subscriptions or advertising to the CAMPBELL INTERURBAN PRESS a beautiful Golden Oak Curtaz Piano, costing \$325.00, now on exhibition in our show window. It must be seen to be appreciated.

To the young man or lady, boy or girl, who brings in the second largest amount we will give a \$50.00 Scholarship Course in the Pacific Coast Business College.

To the young man or lady, boy or girl, who brings in the third largest amount we will give a beautiful solid Silver Hair Brush and Comb in a neat case.

To the young man or lady, boy or girl, who brings in the fourth largest amount we will give a fine French Plate Hand Mirror.

Now As to the Plan Every subscription to the PRESS of \$1 will count as 100 credits, and you can subscribe for as many years as you wish and have 100 credits for each subscription placed to the credit of any of the young lady contestants. Every advertisement secured for the paper will be governed by the same rule. A dollar a month ad. will count for 100 credits; a two dollar ad. 200 credits, etc. Paid locals will count the same. Credits given for every penny turned into this office between now and March 4th, '05. We want young men and young ladies in the outlying districts to go to work for the PRESS, as well as in town. How can you earn such valuable premiums more easily? An hour or two a day from now on may do it. The contest will be conducted in a perfectly honest and honorable manner and all parties going to work can depend on it that they will be treated absolutely fair. Come in and get the necessary information. Let us explain the plan to you.

NOTE—Those who have paid anything since the PRESS started either for back subscriptions or in advance, or for advertising, are entitled to come in and have their credits counted.

Already three young ladies have gone to work and by next week's issue we hope to have a number of new names to add to the list. In the meantime, come and see the handsome premiums.

Rev. E. D. Hale, of Niles, will preach in the Congregational church Sunday, Oct. 30th, both morning and evening. On Sunday evening, Nov. 6th, the pastor expects to have an election patriotic service to which all are invited.

The Palo Alto Citizen urges both republicans and democrats to support the prohibition candidate (Rev. H. E. Milnes) for the assembly in that district. The state and county would be fortunate indeed in having such an able man in the assembly.

Rev. D. J. Higgins, of Chattanooga, Tenn., but formerly of the Minnesota Methodist conference, and an old friend of Rev. J. W. Lewis, Rev. B. F. Kephart and C. W. Gilman, has been visiting here the past week. He will spend the winter in California.

A. H. Willard, of Willows, Cal., spent a day here a few days ago visiting at the home of R. W. Kennedy. Before leaving he dropped a cart-wheel into the checker of the PRESS, he wishing to keep posted on Campbell doings.

A tennis club has been organized at the high school, with twenty members enrolled, and with Miss Edna Briggs, '06, as president; Ralph Hyde, '06, business manager; Miss Avenel Brandenburg, '05, secretary and George Righter, '05, treasurer. A tennis court is to be built on the high school grounds at an early date.

Antone Oliver has so far recovered from the injury sustained by being run over by an Interurban car on the Saratoga road some time ago, that he has been removed from the county hospital to his home on First street. His wife has been with him all the time, while the children were kept at the home of their grandfather on Homestead road. Mr. Oliver is not able to walk except on crutches, and the doctor says it may be a couple of years before he can use his foot to walk on. Under the circumstances he is fortunate in having had his foot saved but he must be without the use of it for a long time.

PUBLICITY COMMITTEE.

County Promotion Organizations Take Action.

(San Jose Mercury.)

A number of prominent members of promotion organizations in Santa Clara county were guests at a banquet in the Saint Claire club Saturday night, tendered by I. B. McMahon, secretary of the chamber of commerce.

The object of the social gathering, as stated by Mr. McMahon, in a brief speech, was the formation of a county promotion committee to co-operate with the state committee for the promotion of the interests of California as a whole.

IN THE SUPERIOR COURT OF THE State of California, in and for the County of Santa Clara. In the matter of the estate of Henry Van Syckle, deceased.

Eleanor G. Van Syckle, John W. Van Syckle and Henry B. Van Syckle, as the executors of the last will and testament of Henry Van Syckle, deceased, having filed herein their duly verified petition praying for an order of this court authorizing and directing them to borrow the sum of \$20,000.00, or such less sum as the court may deem necessary wherewith to pay the debts of said decedent; and to make, execute and deliver a note or notes to evidence said loan and to provide for its repayment with interest, and for the purpose of securing the payment of said loan and interest to mortgage to the lender of said money the following described real property of said estate, namely:

FIRST—All that certain tract of land situated in the county of Butte, State of California, described as follows, to wit: The fractional north one-half of Section 31, in Township 20 North, Range 2 East, Mount Diablo Base and Meridian, containing 309.20 acres.

SECOND—All those certain tracts of land situated in the county of Glenn (formerly a part of Colusa county) State of California, described as follows: "A." Beginning at a stake on the south line of Walsh's (now or formerly) Home tract; thence south 89 1/2° west along Walsh's fence (now or formerly) 40 chains to a stake, corner, thence south 39 chains, thence west 2 chains, thence south 9 chains and 70 links to the middle of Stony creek, thence down the middle of Stony creek to St. John's (now or formerly) and thence north 66 chains and 50 links to the beginning, containing 236 acres and being a portion of the Capay Rancho.

"B." Commencing in the center of the county road leading from Colusa to Tehama at a point on the north bank of a slough running across said road about one mile north of St. John's house (now or formerly) on Stony creek, thence running northerly up the center of said county road to the south line of land which belonged (now or formerly) to the late R. J. Walsh, thence west along said south line of Walsh to the northeast corner of the land of Van Syckle (on Aug. 16, 1867), thence south along the eastern line of said lands of Van Syckle to the bank of said slough, thence along the north bank of said slough to the place of beginning, containing 200 acres of land.

"C." Commencing at a mound known as the southeast corner of St. John's ranch (Oct. 16th, 1868) on the division line between the lands (now or formerly) of Jones and St. John, running thence due north to the county road north of Stony creek, thence with the said road in a northerly direction to the north margin of a deep slough, running thence with the meanderings of said slough in a westerly direction to the line between the lands (now or formerly) of A. C. St. John and of Henry Van Syckle, thence due south to the middle of Stony creek, thence down the middle of said creek until it intersects the south line (now or formerly) of Jones and St. John, thence along said line to the point of commencement, containing 300 acres of land, more or less.

Excepting from said two parcels of land described above as "A" and "B," a strip of the eastern side thereof, owned, occupied and used by the Central Irrigation District, a corporation, as and for a ditch or irrigation canal.

It is ordered that all persons interested in the said estate appear before this court, at its court room, in the court house of the county of Santa Clara, State of California, in the city of San Jose, in said county of Santa Clara, on FRIDAY, THE 11TH DAY OF NOVEMBER, 1904, at 10 o'clock A. M., then and there to show cause why said prayer of said petition should not be granted and why said money should not be borrowed or said note or notes made, and the above real property mortgaged to secure a loan to said estate of \$20,000.00, or such less amount as the court may deem meet wherewith to pay the debts of said decedent, and that this notice be published at least once a week for five consecutive weeks, in the CAMPBELL INTER-URBAN PRESS, a newspaper of general circulation, printed, published and issued in said county of Santa Clara, before the said day last above mentioned.

For all further particulars of said petition and the relief therein asked for, reference is hereby made to said petition on file herein.

Dated the 27th day of September, 1904.
HIRAM D. TUTTLE,
Judge of said Superior Court.
Endorsed, filed, Sept. 27, 1904.
HENRY A. PFISTER, Clerk.
By W. DENKER, Deputy.
H. E. WILCOX and D. M. BURNETT, Attorneys for Petitioners.

Those present were I. B. McMahon, chairman; E. C. Hurlbert, secretary of the Campbell board of trade; R. B. Roll, Santa Clara; Oswald Becker, secretary of Mountain View board of trade; W. A. Clark, president of Mountain View board of trade; E. P. Antrone, San Francisco; F. A. Quinn, secretary Santa Clara commercial league. W. A. Lathrop, representative of Los Gatos board of trade; C. S. Downing, Palo Alto; L. Cunningham, member Morgan Hill board of trade; C. H. Whitman, Campbell.

After an elaborate spread provided by the Saint Claire club had been done ample justice to, Chairman McMahon called upon E. P. Antrone for an address. Mr. Antrone in an able speech outlined the aims and objects of the state promotion committee and urged the advisability of its formation. It will, he said, represent not any particular section, but the whole county, and it will co-operate with the state committee in bringing settlers to California and in establishing publicity offices in the large eastern centers. He laid stress upon the benefits derived from an alliance with the state publicity committee through the unity of interests that would ensue and the consequent lessening of the cost of advertising where the whole state acted as a unit instead of a number of localized committees, each fighting the other. "It is the name of California," he said, "not that of any separate city or county, that attracts the easterner, and I wish to impress upon you the importance of this community of interest plan as embodied in the state publicity committee."

I. B. McMahon urged the importance of always speaking the truth about the state and to the absolute necessity of constant and well directed advertising. He referred to the work done at a recent meeting in Sacramento, at which it was decided to bury the hatchet as between the north and the south, and to approve the appointment of a state publicity committee to carry on the work of amalgamating the state for advertising work.

He dwelt upon the great work accomplished by Southern California through advertising, and he pressed home the necessity of establishing in each county a promotion committee that would actively co-operate with those of all other counties in furthering the interests of the state as a whole.

The objects of the county publicity committee would be to support the plan of the state publicity board to establish offices in the great eastern cities filled by capable men whose duty would be to make California known, and to develop markets for California products.

Mr. McMahon's remarks were cordially endorsed by his guests and the meeting then proceeded with the election of a county promotion committee. The members, as finally appointed, are as follows: President, W. A. Clark, Mountain View; secretary, I. B. McMahon; representative of the San Jose chamber of commerce, Paul Shoup; of Los Gatos board of trade, M. A. Lathrop; of Campbell Board of trade, E. C. Hurlbert; Palo Alto board of trade, C. S. Downing; Santa Clara commercial league, F. A. Quinn; Mountain View board of trade, O. Becker; Morgan Hill board of trade, L. Cunningham; Gilroy board of trade, W. F. Blake; Saratoga, F. W. Crandall; Alviso, Miles Hollister; Mayfield, E. V. Lawlor; Sunnyvale, H. H. Benedict; Evergreen, representative to be appointed at some future date.

A most enjoyable evening and a meeting that will be productive of great results was closed and votes of thanks to the Saint Claire club, to mine host I. B. McMahon and to the Mercury for the interest it has always taken in promotion projects.

J. C. Ainsley and Dr. M. J. Gates were in San Francisco Wednesday on business.

E. W. Conant, the genial county treasurer, visited Charity Lodge Monday evening.

Dick Robertson, of Los Gatos, was here to visit Charity Lodge Monday evening.

Mrs. Charles West and children, of Lawrence, spent Monday with her sister, Mrs. J. C. Ainsley.

That 6-months Business College course is worth working for. Some young man ought to capture it.

Geo. Waldorf, democratic nominee for the assembly, was shaking hands with our people Tuesday.

Mr. Bettin and wife, of Bolinas, have come to spend the winter with their daughter, Mrs. E. J. Pierce.

J. H. Henry, the capitalist and extensive land owner, was here Saturday looking after his Sunny Oaks property.

The regular meeting of the W. C. T. U. will be held with Mrs. Poor on Nov. 2d, at 3 p. m. A full attendance is requested.

Send us \$1 or more on subscription and we will credit the young lady you say with the proper credits and mail you a receipt.

The family and mother of Albert Cochran arrived Sunday from McCloud, Cal. They will occupy the house recently vacated by J. A. Kelley.

The W. C. T. U. will hold a convention echo meeting in the Congregational church on Friday eve., Nov. 4th, at 7:30 o'clock. Everybody cordially invited.

C. H. Whitman has just installed in the beautiful orchard home of W. H. Hinde, west of town, a hot water heating plant, which with a small amount of fuel will heat the rooms both above and below very evenly. This is a new thing for Campbell, and no doubt many more will be placed in the commodious houses around here. It is another instance that we can have up-to-date conveniences here.

Mrs. L. B. Swain, of Campbell, visited her son, Prof. R. E. Swain, this week.—*Palo Alto Times.*

Miss Lawrence has folio paper, pencil tablets, ink tablets, pencils of various kinds, pencil boxes, pencil sharpeners, erasers, fountain pen ink and fillers, cinch paper clips, paper binders, visiting cards, souvenirs, notions and many other articles.

The coming of the Interurban is already awakening the sleepers of the Gem City, and there seems to be a general disposition on the part of the property holders, especially on the east side, to repaint and repair their respective properties. Much new building is anticipated.—Los Gatos correspondent to *Mercury.*

Orchard City Grange of Campbell had a very interesting meeting Tuesday evening, there being present about seventy members, the large attendance being due no doubt to the fact that a representative was to be elected to serve on the committee to advertise prunes. As a result there was an animated rivalry for the honor, and E. W. Allen was the lucky man by a few votes. Several candidates took the third and fourth degrees and a most sumptuous banquet followed. This was their harvest feast and we heard a person say that the grangers certainly know how to get up a fine spread.

The fact that the supervisors have placed upwards of forty voting machines throughout the county makes nearly half the number of precincts, and the extra cost of the machines will soon be saved by a reduction in the number of election precincts and officers.

Hon. Nicholas Bowden is a democratic candidate for superior judge in this county. Mr. Bowden is one of the best known and most successful attorneys in San Jose and has many friends and admirers throughout the valley. He is a man of fine ability and perfect integrity. In choosing judges the voters look to the personality of the man rather than to his party affiliations, and should Mr. Bowden be elected he will fill the high office to which he aspires with credit to himself and his constituents.—*Palo Alto* (Rep.)

PRESS NOTES

P. G. Keith and Miss Adra Eaton went to Alma today.

The Interurban construction crew are nearing Los Gatos.

The PRESS circulation is increasing—five hundred copies being printed this week.

The Epworth League will hold a Hallowe'en social at the league room this coming Saturday evening.

The large timbers to be used in the construction of the new bridge across Los Gatos creek, have arrived.

Deputy Tax Collectors Thomas Boldey and Charles Simonds were at the Campbell bank Thursday receiving taxes.

The Interurban company have changed the curve at Mrs. Martinia's corner a little, moving it slightly further into the street from Mr. Miracle's property.

Steps were taken this week to remove some of the unsanitary cesspools and outbuildings. The work should not stop until all unsafe places are removed or properly cared for.

Next Monday evening is Hallowe'en. As usual, there will probably be some damage done and some steps should be taken to put a stop to any unseemly conduct on the part of those who should know better.

W. H. B. Trantham, democratic nominee for state senator, was in Campbell today, shaking hands with the people. Mr. Trantham has been over the senatorial district and reports that his chances for election look most favorable.

One of the most appropriate and welcome improvements is the widening of First street. Mr. Campbell has the thanks of our people in voluntarily removing the line fence along his property and making the street sixty feet wide. The roadmaster will in all probability soon grade the street and it will make a great improvement to the town.

The republican rally last Friday evening proved to be a drawing card. Dr. C. N. Cooper was chairman of the meeting and many prominent citizens were on the platform as vice-presidents. Addresses were made by Eli Wright, E. A. Hayes and Maj. Kyle. The Campbell band furnished patriotic music, a bonfire livened things and the republicans present pronounced the meeting a grand success.

County Surveyor McMillan was here today trying to straighten out the muddle in regard to the width of South Central avenue. The county maps don't agree with the maps from which the land was sold. In all probability the street will be widened five feet to straighten the matter out. The fact is, that street is too narrow for the amount of traffic there and the change should be done while the town is as it is, for some day it will have to be widened when it may not be as easy to do as now.

While a member of the assembly the Hon. Eli Wright introduced a bill providing that fruit offered for shipment should bear a brand correctly designating the immediate locality in which the fruit was grown. This bill was designed to protect the superior quality of fruit grown in Santa Clara county. Unprincipled growers and dealers in inferior fruits, produced in other counties, were in the habit of palming off their low grade products by stamping on the boxes "from Santa Clara," which was a great injustice to the latter place. Mr. Wright put a stop to this nefarious practice by having the above bill passed by the assembly and the senate, and the governor finished the good work by signing the bill, thus making it a law. Every fruitgrower in Santa Clara owes thanks to Mr. Wright. He is an untiring and faithful worker in the interests of his constituents, and we can safely predict that the fruitgrowers will help him in rolling up one of the biggest votes he has ever received at the hands of the people of this community.—*Santa Clara News.*

How the Contestants Stand.

Below will be found the names of the young ladies who have received credits in the piano contest. These young ladies have just commenced to work and a good showing is expected for our next issue, when more names, in all probability, will be added to the list. The whole number of credits received by each contestant up to the time of going to press will be given in these columns each week.

Roll of Honor.

The roll of honor of Moreland school for the six-week period ending Oct. 21, is as follows: Eighth grade—Adele Titus, Kathleen Bartle, Mary Santos. Seventh grade—Ida Carter, Eddie Bucknall, Frances Calkins. Sixth grade—Jennie Funkler, Lillian McKimmon, Frank English, George Beaver, Cora Maggiore, Milton Kibby. Fifth grade—Tony George, Howard Bean, Merna Sawyer, Bennett Bartle, Richard Bartle, Dwight Van Arsdell, Clara Funkler, Alice Carter. Fourth grade—Minnie Periera, Mary Beaver, Murrel Slaght, Dolly Maggiore. Third grade—Mildred Beaver, Quito Maggiore, Jose Viera. Second grade—Floyd English, Beatrice Rowlands, Helen Graves, Max Slaght. First grade—Doris Rowlands, Mary Maggiore, Manuel Souza, Beatrice Souza. The requirements for this roll of honor are: Attendance, 100 per cent; scholarship, 85 per cent; deportment, 90 per cent.

Make Ready for Election.

County Clerk Pfister, with all his regular force and several extra deputies is busily engaged in preparing copy and reading proof for the printers who are engaged in getting out the great register, in which four firms of job printers are engaged.

After the cancellation of all duplicate registrations, he finds that the total number of voters enrolled in this county for the presidential election is 15,528, which is exactly 400 more than were registered for the state and county election of two years ago.

On the 29th the election proclamation will be published and the work of mailing sample ballots and instructions to voters will be commenced; the latter is of itself an immense job, and it must be completed by November 4th.—*Mercury.*

Oil Sprinkled Streets.

The hard rain of Saturday night and the condition of the streets upon which oil has been applied for several successive years demonstrate what kinds of roads can be made by the use of heavy oil where the work is properly done. On those streets which were crowned and graded, and which were oil sprinkled for two or three seasons, the rain washed away the accumulated loose soil leaving the streets, the next morning after the storm, hard and dry—almost as clean as an asphaltum pavement. When the question of oiling roads was first broached, an exchange expressed a curiosity to know what a muddy oiled road would be like. It is being demonstrated that if a little preliminary work is done well, and the road kept free of chuck holes, there will be no such thing as a muddy road, any more than there is a muddy pavement.—*Bakersfield Californian.*

Election Dinner.

Ladies of the M. E. church will give a dinner on election day in the parlors of the church. Price, 25c; dinner served from 12 o'clock sharp. By order of the Committee.

TAXES, 1904

OFFICE OF THE TAX COLLECTOR,
County of Santa Clara,
San Jose, October 10th, 1904.

NOTICE IS HEREBY GIVEN THAT the taxes for the year 1904 are now due and payable:

FIRST INSTALLMENT—Taxes on all personal property, a lien on or secured by land, all special taxes, and one-half of the taxes on all real property are delinquent on November 18th, 1904, at 6 o'clock p. m., when 15 per cent. will be added to all of said first installment remaining unpaid.

SECOND INSTALLMENT—The remaining one-half of Taxes on all real property will be due and payable January 4, 1905, and delinquent April 25, 1905, at 6 o'clock p. m., when 5 per cent. will be added to all taxes remaining unpaid.

Taxpayers may, if they desire to do so, **PAY THE WHOLE TAX AT ONE PAYMENT.**

For the purpose of receiving taxes I will be in the several townships of the county, as follows:

MORELAND DISTRICT:—At the Bank of Campbell, in the Town of Campbell, on Thursday, October 27th, 1904.

And in my office in the Court House of San Jose daily, Sundays and legal holidays excepted, from 9 a. m. to 5 p. m. to and including Monday, November 28th, 1904, and Monday, April 25th, 1905, at 6 p. m.

The second installment of Taxes is payable at my office in the Court House in San Jose.

N. B.—All persons who paid the County Assessor their personal property taxes for 1904, at the tax rates of 1903, are hereby notified that the rate for 1904 having been increased, there remains due a balance, payable at my office under the same conditions as to delinquency as the taxes on real property.

W. M. A. JANUARY,
Tax Collector of Santa Clara County.

The Mountain View *Register* office was so rushed with job work last week that Editor Smith got swamped and he had to call in Editor Copeland, of the *Leader*, to help him out. The consequence was both papers used the same type matter to a large extent. Nothing like living in brotherly love. And this calls to mind the fact that the members of the county editorial association are a harmonious lot with no ill will existing among them against a fellow editor. This is as it should be.

A visit to Gilroy the early part of the week showed that the southern city of Santa Clara county is making rapid progress. Its schools are flourishing under good management. Prof. Brownell, the principal, is thoroughly competent and progressive. The increase in attendance will call for more room. Business showed up well, even if prunes are low, and an electric railway is in the near future possibilities. Harmonious action will secure the improvements desired. The country looks exceedingly well after the rain.—*Los Gatos News*.

Within thirty days, so a prominent official of the Southern Pacific company and incorporator of the newly organized Central California railway company is quoted in Tuesday's Call, work will be begun on a railway and ferry system from Newark in Alameda county to Dumbarton Point in San Mateo county. One million dollars will be spent in this improvement, which will serve to lighten the traffic between Oakland and Alameda and San Francisco. Ultimately a bridge will be built across the bay at the point named, according to President Harriman and Julius Kruttschnitt of the Southern Pacific company.—*Palo Alto Citizen*.

Did you ever see a presidential campaign with less enthusiasm? We fear that this lack of enthusiasm may possibly prove the undoing of the republican party. Too much confidence in the election of Roosevelt and Fairbanks may lead to indifference and defeat. But if the republicans seem indifferent in Santa Clara county the democrats seem even more so.—*Santa Clara Journal*.

But don't you know, Mr. Journalman, that the democrats of this county are of the "Gloomy Gus" style and that they get about all the offices? And the reason that they have been able to hold those offices is because, as a rule, they are as able as any that can be procured. The day of partisan politics in local affairs is about over.

The democrats of Santa Clara county have placed in the field two of their strongest men as candidates for the long and short term for superior judges. Hon. N. Bowden being the candidate for the long term and Hon. D. M. Burnett for the short term. These men, regardless of party ties, stand foremost among Santa Clara county citizens and are acknowledged to be among the most brilliant and successful attorneys of the Santa Clara county bar. Personally they are above reproach and number their friends by hundreds among all classes, regardless of politics. Indeed, we do not think the democratic party of this county could have placed two candidates for the office of judge before the people with a better prospect of election in what appears to be an off year for the democratic party in Santa Clara county.—*Santa Clara Journal* (Rep.)

Notice of Stockholders' Annual Meeting.

Notice is hereby given of the Annual Meeting of the stockholders of Campbell Water Company, a corporation, to be held in this company's office, in Campbell, Santa Clara county, California, on Tuesday, November 8th, 1904, at 2 o'clock p. m., for the purpose of hearing the reports of the officers, electing a board of directors to serve for the ensuing year, and to transact any other business that may properly come before that meeting.
